While in the facility I must practice social distancing and remain 6ft from all other people except my own child.

3. I understand that to enter upon the facility premises my child must be free from Covid-19 symptoms. this Public Health Emergency. These symptoms typically appear 2-7 days after being infected so please take them seriously. You will need to be symptom free for 72 hours before returning to the facility.

4. I understand that my child's temperature will be taken every two hours throughout the day while on facility premises.
5. I understand that children over 2 years old must always wear a mask while in the facility and on facility premises.
6. I understand that my child will be required to wash their hands using CDC recommended handwashing procedures throughout the day using warm running water and rubbing with soap for at least 20 seconds.
7. I understand that I must bring my child a pair of shoes to the facility that will only be worn inside the facility and will be left here each evening. I MUST remove my child's shoes at the entrance of the facility. Staff will have the child change into their 'center only shoes' once the child washes their hands and goes into the classroom. At pickup, staff will remove the child's 'center only shoes' and the child will be brought to the entrance where I will put on my child's outside shoes prior to leaving the facility. The children's 'center only shoes' will be sanitized by staff each night.
8. I understand that outside of care, in order to control my exposure in the community, I will comply with any and all state, county or local stay at home orders, will limit my child's contact outside of care to persons living in my household. I will not take my child out to stores unless it's absolutely necessary and then only to shop for essential items like food, medicines and toiletries and will follow any recommendations from the CDC that limits my risk for exposure including wearing a mask in all public areas and remaining 6ft from all other people.

practice all recommended social distancing, exposure limiting practices recommended by the CDC. My child and I WILL NOT go to any gym, movie theater, nail or hair salon, park, beach, or other community location that is not for the purpose of getting food, medicines, toiletries or other life sustaining necessities until such time as it is determined by state and local health officials that the Covid-19 Public Health Emergency is over.

10. I will immediately notify T.L.C. Child Enrichment management if I become aware of any person with whom I have had contact exhibits any of the symptoms listed in Number 1 above, is advised to self-isolate, quarantine, or has tested positive, or is presumed positive for Covid-19. 11. I understand that while present in the facility each day my child will be in contact with children, families and other employees who are also at risk of community exposure. I understand that no list of restrictions, guidelines or practices will remove 100% of the risk of exposure to Covid-19 as the virus can be transmitted by persons who are asymptomatic and before some people show signs of infection. I understand that I play a crucial role in keeping everyone in the facility safe and reducing the risk of exposure by following the practices outlines herein.
